THANKS
W9MC

M. Crosby Bartlett W9MC donated a very fine 3 KW 110/220 V
Gas driven motor generator on a cart with full battery and electric
start. It is like new condition and Ron Williams say's it runs
fine. This unit is available for Club needs for emergency power.
Thanks again Bart for this generator.

HAMS HELP
IN YNL

Our trustee Ron Williams made the front page of the Indpls Star
Sunday with early reports of the earthquake disaster in Managua,
Nicaragua YNL Various TV radio and news reports showed hams
relaying messages etc to and from all parts of the country.....
YNL are in need of our help and a clear frequency.

712 Military; Total of 282,850 and 11,319 XYL'S included in total.

NOVICES
WAS

Novices take note: their are only 38 Novices in Vermont, 27 in
D.C. 62 in Nevada, 63 in Wyo. 61 N.D. 73 S.D. 64 Main 75 Mont.
better start listening closely, so you can get your Worked all
States certificate.

1973 a year
for Hams

WE are getting off to a good start on new programs and cur
Jan 26° looks great...others will be prominent engineers from
some of the Ham equipment manufacturers +++ movies of Hamfests
and tours of local communication and electronics places of interest
to all phases of ham radio.... your all invited to come join us
at any of our regular meetings the 2nd or 4th Friday each month.

CALL DIRECTORY

Bob W9PSE has copies of the latest Cincinnati GCARA call directory
as a guide for publication of ours, and also a note from their
editor with some suggestions etc, OK Charlie W9UEM now if we can
just get that help with the typing and a printer, plus all those
phone numbers were in business. (we have an outline of the jobs
who want to be chairman of this project... see us at club.)

IRC
&
K9LPW

IRC now has one membership in the K9LPW repeater group to help
support their 146.16/76 repeater. This is only for the one club
transmitter and each individual is encouraged to join a repeater
group if you have 2 meter FM equipment and use these facilities.
